JANE AGNI INTRODUCTION

Jane Agni is a freelance satirist, amateur journalist, graphic designer, webmaster, web designer, and editor in the fields of audio, video, and literature. She has been writing professionally since 2012, and is currently the Publisher of satirical websites, **Every Woman Weekly**, and **Self-Worth Digest**, in addition to being Senior Journalist for the infamous news satire outfit, **National Report**. She has had equal success writing for such parody sites as **Wit Science**, **Modern Woman Digest**, and **Conservative Frontline**. Ms. Agni's articles have been featured on a litany of media outlets, gaining both local and mainstream news coverage across the nation.

Some of Jane's hobbies include thrill-seeking activities such as participating in an underground female fight club, and making yearly Black Friday pilgrimages to steal merchandise from people's shopping carts. She enjoys pathologically lying about a passionate affair with Geraldo Rivera during the early 90's, which isn't even sequentially accurate, as Agni was still in single digits during that time. Jane also struggles with an unhealthy obsession with collecting vintage lucite animal sculptures.

Jane Agni is currently hoping to expand her resume, network, as well as experience collaborating with various writers and websites as a freelance satirist. Her full body of work can be found at www.janeagni.com.

If you are not currently seeking new content creators for your site, then I would just like to say hello, introduce myself, and extend a hand in friendship!

Thank you for your time reading this, I hope my message finds you well and I look forward to hearing back from you!

Sincerely,
Jane M. Agni-
